Re: Closure of Administrative Order
Coleman Natural Products, Inc.,
CWA-08-2001-27

Dear Ms. Kuechenmeister:

On June 26, 2001, the U.S. Environmental Protection Agency ("EPA") issued an Administrative Order (the "Order"), EPA Docket Number CWA-08-2001-27, to Coleman Natural Products, Inc. ("Coleman"). The Order required Coleman to return to compliance with the federal pretreatment regulations found in 40 C.F.R. part 403.

Based on the information currently in our file and apart from the claims resolved in our recent consent decree, we have concluded that Coleman has complied with all provisions of the Order. Therefore, EPA is closing the Order as of the date of this letter.

Please note that Coleman is still required to comply with all requirements of its Industrial User permit, issued by the City of Limon, and the federal pretreatment regulations found in 40 C.F.R. part 403. EPA Region 8 no longer needs to receive copies of Coleman's reports and sampling data.

If you have any questions concerning this letter, the most knowledgeable person of my staff is Patricia Ochoa who can be reached at (303) 312-6198.

Sincerely,

SIGNED
